Course Change Request Form (CCRF) Guideline

PURPOSE and SCOPE

The Course Change Request Form is used to provide information between the Academic School and Student Services Academic Representatives relating to courses in which the current/active student is or is not enrolled. This guideline details the correct use of the Course Change Request Form (CCRF) (Add/Drop/Withdraw/Audit) and provides examples that differentiate between this process and the PARTL process.

The Course Change Request Form is required when an enrolled student wants to:

a. add a course in which they are not currently enrolled (note: first-term, first-year courses can only be added using the PARTL application process);

b. drop a course up to 20% of course duration;

c. withdraw from a course after 21% of course duration;

d. audit a course (note: online PARTL application would be completed if the course being audited is not in the student’s year of study).

2.0 IMPLEMENTATION

There are several actions and considerations that need to be taken before initiating a course change request form. The student is encouraged to discuss all CCRF requests with the appropriate staff member.

<thead>
<tr>

<th>Who</th>
<th>Action</th>
<th>When</th>
</tr>
</thead>
</table>
| 1    | Student | • Request academic advisement from Coordinating Instructor  
Note: course drop/withdrawal is not required for credit granted through RPL unless there is a change in academic status (full-time to parttime) or enrollment status that would affect tuition. | Prior to Completing CCRF |
| 2    | Coordinating Instructor | • Meet with student to understand intent of request; outline possible impacts:  
  o a change in status from full-time to parttime which could affect student loan status/international visa/other funding sources in either year 1 or year 2  
  o a delay of graduation due to insufficient credits  
  o impact to the overall cost to complete the program resulting from change from full-time to part-time status  
  • Calculate percentage of enrollment by term  
  • Assist student to complete the form, providing approval signature  
  • Forward electronically the approved CCRF to the ACAA | At student’s request |
| 3    | Academic Chair  
Administrative Assistant (ACAA) | • Enter CCRF request into SIMS, using dates noted within the Course Information section  
• E-mail CCRF to SSRAcademic@nbcc.ca | Upon receipt of CCRF  
After completing SIMS work |
| 4 | Student Services Academic Representative (SSAR) | • Check the enrollment summary to verify that classes have been added or dropped as per CCRF  
• Update SIMS (Program Plan Panel, Term Activation, amend charges)  
• If applicable, notify CSL (submit EW online), complete and submit Change of Academic Status form  
• Notify student of amended tuition & fees charge; arrange processing for refunds  
• If applicable, complete and submit Request for Refund form | Upon receipt of CCRF from ACAA |

### 3.0 GENERAL CONSIDERATIONS

- The student’s signature is not required on the CCRF.

- A CCRF is required if a student has previously successfully completed a NBCC course that is part of their current program.

- A CCRF is not required if a student has received Prior Learning/Credit Transfer unless there is a change in academic status (full-time to part-time) or enrollment status that would affect tuition.

- A CCRF is required for each active full-time or part-time student who requests that course(s) be added, dropped, withdrawn or audited (with the exception of adding first-year, first-term courses: [PARTL](https://nbcc.ca/admissions/partl) process would be followed).

- Use the Drop portion of the CCRF when a student wants to drop a course prior to 20% of course duration. No notation will appear on the student transcript of marks.

- Use the Withdraw portion of the CCRF when a student withdraws from a course after 20% of course duration. The transcript of marks will show a notation of WI (withdrawn) for course withdrawals between 21-50% of the total course duration without academic penalty. The grade earned will be entered on the student transcript of marks for withdrawals after 50% of total course duration.

- Use the online PARTL process ([https://nbcc.ca/admissions/partl](https://nbcc.ca/admissions/partl)) for Year 2 student requests to add year one courses.
