# ACCOMMODATIONS AND ACCESSIBILITY SERVICES FOR STUDENTS

NBCC is committed to providing an accessible learning environment for all students. At NBCC, we want to make sure each student has an equal opportunity to access education, training and services.

I have a disability and/or have accommodation or accessibility needs.

Note: checking this box does <u>not</u> increase or decrease your chances of being accepted to NBCC, but it does help us plan to serve you better. Checking this box is completely voluntary.

#### WHO should check this box?

You should check this box if:

- · You have accommodation or accessibility needs
- · You received accommodations, learning support, or had a Special Education Plan (SEP) while in high school
- · You are a person with a disability, for example:
  - · anxiety, depression, bipolar disorder, schizophrenia
  - · learning disability, dyslexia, reading disorder
  - mobility disability
  - deaf or hard of hearing; blind or low-vision
  - ADHD
  - · diabetes, chronic pain and other health-related conditions
  - · autism spectrum disorder, Asperger's syndrome
  - many others

#### WHY should I check this box?

Sharing this information helps us determine the supports you need while studying at NBCC. For instance, we may be able to help you apply for funding that can pay for assistive technology and tutors or we can help develop a personalized plan to meet your learning needs.

### WHAT happens if I check this box?

Upon acceptance into an NBCC program, you will be contacted by a member of our *Student Success Team* who will discuss with you how we can best assist you while you are an NBCC student. In the meantime, please visit <a href="www.nbcc.ca/swd">www.nbcc.ca/swd</a> for important information on how to access accommodations and other support.
