

## Ethics Multi-Jurisdictional Research Form

### SUBMISSION

Please send this form and accompanying attachments to REB Office Personnel at [REB@nbcc.ca](mailto:REB@nbcc.ca). Questions about ethics review requirements and applications should also be sent to [REB@nbcc.ca](mailto:REB@nbcc.ca).

### PURPOSE

Anyone planning to conduct research involving human participants under the auspices of NBCC must submit the research activity for ethics review. Projects that have already been approved by an eligible external Research Ethics Board may be reviewed using this form. Please see [Research Ethics Application Procedure 3303.4838](#), 3.1 option 3 for details.

**Note:** The externally approved Ethics Application package must acknowledge NBCC involvement (e.g., NBCC co-investigator, recruitment of NBCC students or staff). If it does not, an amendment to extend the study to involve NBCC (including any NBCC-specific recruitment materials) should be approved by the external REB before this Multi-Jurisdictional Research Form is submitted.

All researchers are responsible for reading and understanding NBCC's [Ethical Conduct of Research Involving Humans Policy \(3303\)](#) and [Research Ethics Application Procedure \(3303.4838\)](#), which explain ethics review requirements and eligibility.

### GENERAL INFORMATION

1. Project Title	
2. Form Submission Date	

### APPROVAL-GRANTING INSTITUTION INFORMATION

3. Name of Institution that already granted approval	
4. Institution's REB contact name and email:	

### INVESTIGATOR INFORMATION

*Note: The Principal Investigator (Applicant) should only be external if there is no NBCC co-investigator or collaborator. If there is an NBCC researcher involved, the NBCC researcher should be the named Principal Investigator (Applicant) on this application.*

5.	Name & Position Title	Program/Dept.	NBCC Campus or External Organization Name	Email Address
Principal Investigator (PI):				

Co- Investigator(s):				
Other Investigator(s):				

Please add rows as needed.

## PROPOSED DATE

6.	YYYY-MM-DD
Start Date: when PI expects NBCC-specific work with human participants to begin (including recruitment). <i>Note: allow 4–6 weeks for review.</i>	
End date: when PI expects NBCC-specific interaction with human participants to be complete (including feedback or follow-up).	

## LOCATION(S) WHERE THE RESEARCH WILL BE CONDUCTED

7. Please check all that apply.

- Fredericton
- Miramichi
- Moncton
- Saint John—Allied Health
- Saint John—Grandview
- St. Andrews
- Woodstock
- Other location (please specify site):

## FUNDING

8. What is the funding status of this project?

- Funded: The research team has received a grant or other funding to complete this study.
- Potentially funded: The research team plans to submit a grant application/request funding.
- Potentially funded: The research team has submitted a grant application/requested funding.
- Unfunded: The research team is not pursuing funding for this study at this time.
- Unfunded: The research team does not foresee the need for funding for this study.

9. If **funded or potentially funded**, please indicate (as applicable):

Agency or sponsor (funded or potential):	
Primary Institution Administering Funding	
Funding start date:	
Funding end date:	

## LIST OF ATTACHMENTS

*Please indicate the attachments submitted in support of this application*

- TCPS 2: CORE-2022 Certificate of Completion for the applicant (unless already on file with NBCC's College Office of Research Enterprise)
- Letter or Notice of Research Ethics Approval from external institution
- Ethics Application package approved by external institution
- Ethics Amendment/Change Application package(s) approved by external institution
- Any other relevant documentation (please list below)

## SIGNATURE

I affirm that the externally approved application package fully and accurately describes all planned research activities involving human participants to be conducted under the auspices of NBCC. As applicant, I will ensure that none of these activities are commenced (by myself or other team members) before receiving documentation of approval from the NBCC Research Ethics Board. If the status of the external approval changes (e.g., termination or change of PI), I will immediately notify the NBCC Research Ethics Board.
