

## Annual Project Status Report for Research Involving Human Participants Research Ethics Board

Complete this form within one (1) year of REB clearance of research involving human participants, as indicated by the date on the approval letter. Summarize progress to date, changes to project activities, and adverse events encountered related to human participants. Take note that changes to project activities may require pre-review by the REB.

Research Project Information					
<b>Project Title</b>					
<b>Principal Investigator</b>		<b>Title</b>		<b>Organization</b> <small>(If not NBCC)</small>	
		<b>Email</b>		<b>Phone</b>	
<b>Co-Principal Investigator</b> <small>(If applicable)</small>		<b>Title</b>		<b>Organization</b> <small>(If not NBCC)</small>	
		<b>Email</b>		<b>Phone</b>
